

Remarks and Conclusion

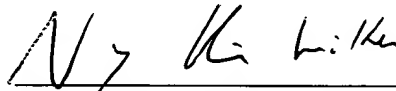

To overcome the Notice of Incomplete Reply (a copy of which is enclosed as Exhibit A), Applicant is submitting herewith the substitute "Sequence Listing" in the form of 3 (three) copies of a CD-ROM, as allowed in the changes to 37 C.F.R. §§ 1.821-1.825, as published in the Federal Register on September 8, 2000. The 3 (three) copies of a CD-ROM are identical and each contain the sequences for the Application (labeled "Copy 1", "Copy 2", and "Copy 3 (CRF)") pursuant to 37 C.F.R. §§ 1.821-1.825. As the undersigned, I hereby declare that the contents of the each of the enclosed CDs are identical to the contents of each of the two copies of the CDs submitted with the Application when it was filed on August 8, 2001.

The above amendments to the specification are not made for any reason related to patentability, and do not add any new matter to the Application as filed.

No fees are believed to be due in connection with this filing. However, please charge any underpayments or credit any overpayments to our Deposit Account No. 08-0219.

If there are any questions, please call the undersigned at the telephone number indicated below.

Respectfully submitted,
HALE AND DORR LLP
